

## **FINANCIAL OPTIONS**

In order to provide you with the highest quality dental care on a sound business basis, we provide our patients with an estimate of fees and arrange for a payment schedule. By establishing a clearly defined method of payment, we hope to eliminate confusion. All sedation dentistry treatment must be paid two weeks prior to the scheduled appointment.

**1. 5% Accounting Reduction**

A 5% accounting reduction will be extended to our patients when fees are paid in full by cash or check at the time of treatment. (10% for 62+ years of age)

**2. Major Credit Card**

A 2% accounting reduction will be extended to our patients when fees are paid in full using Visa, Mastercard, Discover, or American Express. (7% for 62+ years of age)

**3. Office Payment Plan**

The total cost of your treatment (totaling at least \$300) will be divided into thirds, with the first payment due on the day treatment is started and the remaining two payments due in 30 and 60 days.

**4. Extended Payment Plans**

Extended low monthly payments based on credit approval.

For our patients with dental insurance, our professional services are rendered to you, not to your insurance company. Therefore, you are directly responsible to us for the obligation of payment for treatment. We will do our utmost to help you derive the maximum benefits to which you are entitled. The insurance estimates we give you are based on limited information.
